The Workforce Innovation and Opportunity Act (WIOA) of 2014 prohibits On-the-Job Training with employers who have relocated their facilities, or portions of their facilities, until 120 days have elapsed since the commencement of operations at the relocated site, if such relocation results or resulted, in a loss of employment for any employee of such establishment at the original location.

In order to be considered for an On-the-Job Training contract, the OJT Representative is conducting this pre-award review to assist in determining if the relocation of your establishment has resulted in such unemployment.

Please respond to the following inquiries and return them to the address identified above.
