***Please note - you can only apply for the scholarship through [this link](#) on [EmployPG.com](#). On the application you will have to indicate which boot camp program you will want to attend. The links above can help you learn more about the curriculum and what to expect from each boot camp experience.***

While some background knowledge is helpful, **no experience is needed** as long as you are dedicated and eager to learn. At this time, **all programs are offered virtually**. Students will need to come prepared with their own computer and access to high-speed internet.

**Applicants to the scholarship will be accepted on a rolling basis, and must be completed by December 31, 2020 to be considered.**

## THE STUDENT EXPERIENCE

GW Boot Camps offer a dynamic, virtual learning experience. We provide dedicated instructors and teaching assistants who are experienced and knowledgeable in their respective fields.

Students are taught the fundamentals, but we work to enhance our curricula frequently to ensure we are helping students acquire the most in-demand skills in today's market. [Learn more here.](#)

## CAREER SERVICES

All boot camp students are supported by a dedicated career services team of experienced professionals consisting of a Career Director and Profile Coach.

Collectively, they will prepare each student to be “employer competitive” through a series of career readiness milestones throughout the class.

Although we gear you up to be employer competitive upon graduation, building a career is hard work and can only be done by you.

The list below includes occupations that most often align with our student's outcomes, but is not exclusive nor exhaustive.
