Our mission is to connect job seekers, youth, and dislocated workers with training, credentials, and employment opportunities that lead to sustainable, family-supporting careers, while helping local employers build a skilled, ready workforce. We operate the County's American Job Center system and administer WIOA-funded programs including job readiness training, occupational skills training, youth workforce programs, apprenticeships, and employer partnership services.

As we continue to grow our impact, we are seeking a qualified marketing and branding agency or freelance consultant to strengthen our public identity, improve how we communicate our mission and outcomes, and modernize our digital presence.

Website pricing must account for the design and development of both employpg.org and pgcajc.com. Vendors should clearly identify costs associated with each website, where applicable, within each proposed pricing tier.

Tier	Suggested Scope	What We're Looking For

Option B — Standard	Full branding + custom websites	Complete brand identity system, two custom-designed responsive websites with CMS, full collateral suite, and staff training. Total cost, timeline, and payment schedule.
Option C — Premium	Comprehensive brand + marketing partnership	Everything in Standard for both websites plus a communications/marketing strategy, photography/video direction, annual report design, and a defined period of post-launch marketing support (e.g., 3–6 months). Total cost, timeline, and ongoing support terms.

Please also disclose hourly/day rates for any out-of-scope work, payment schedule/milestones, any nonprofit or grant-funded organization discounts available, and estimated ongoing costs (hosting, domain, CMS licensing, maintenance retainer) beyond the initial project.

The Bidder has arrived at the cost(s) and amount(s) in its proposal independently and without consultation, communication, or agreement with any other Bidder or potential Bidders.

The Bidder shall not disclose any of these items on or before the proposal submission deadline specified in this RFP.

The Bidder is not currently under suspension or debarment in the State of Maryland, any other State or the Federal government and, if the Bidder cannot certify, then it shall submit along with its proposal a written explanation of why it cannot make such certification.

The WDB is not liable for any costs the Bidder incurs in preparation and submission of its proposal, in participating in the RFP process, or in anticipation of award of the sub-recipient agreement.

The WDB reserves the right to reject any proposal if the evidence submitted by the Bidder proves the Bidder is not qualified to carry out the obligations of the RFP and to complete the Project as specified.

The WDB may make investigations (including on-site visits and contacting any or all references) as deemed necessary, to determine that the Bidders competence, number of qualified employees, business organization, and financial resources are adequate to perform per the RFP.

To the best knowledge of the person signing the proposal for the Bidder and unless the Bidder has otherwise disclosed in its proposal, the Bidder has no outstanding, delinquent obligations including, but not limited to, any Federal and State tax liabilities not being contested on appeal or other obligation of the Bidder that is owed.

Until the selected Bidder receives a fully executed and approved written sub-recipient agreement from the Issuing Office, there is no legal and valid sub-recipient agreement, in law or in equity. The WDB reserves the right to vary or change the terms of any sub-recipient agreement executed as a result of this RFP, including funding levels, the scope of work, performance standards, and shortening or extending the sub-recipient agreement period, as it deems necessary in the interest of the Board and its programs, pending availability of funds.

The fully executed Agreement will require the selected Bidder to assume responsibility for all goods and services offered in its proposal whether it produces them itself or through subcontract. Additionally, if the Bidder uses any subcontractor, the proposal should be clear on the roles, responsibilities, and outcomes of each. The substitution of one subcontractor for another must be made at the discretion and prior written approval of the Issuing Office. The WDB considers the selected Bidder to be the sole point of contact regarding all contractual matters.
